

DIY BLUEY BEDROOM DECOR

LAMP SHADE SILHOUETTE

You will need:

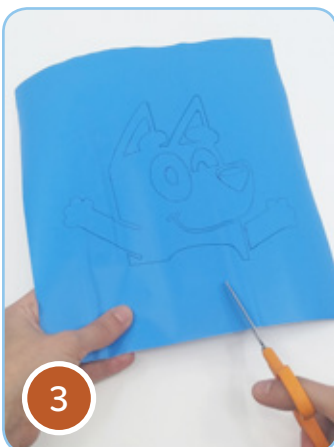

- White lamp shade
- Blue contact paper
- Pencil/marker
- Scissors

1. Ask a grown-up to help you cut out all the pieces from the template provided.

2. With a pencil/marker, trace around all the shapes on the contact paper.

3. Carefully cut out all the pieces with a scissors.

4. And finally... glue all the pieces to the outside of the shade. Turn on the light and enjoy your friendly new lamp!

Use orange contact paper to create Bluey's little sister, Bingo!
