

BOB BILBY PUPPET

You will need:

- Felt (A4 sheet: 3x purple, 1x light pink, 1x beige, 1x black and 1x white)
- Needle and thread
- Fabric glue
- Paintbrush
- Scissors
- Sewing pins
- Pen

When attaching your Bob Bilby puppet pieces together you can use fabric glue, a needle and thread or a sewing machine - the choice is yours!

1. Use the template stencils provided (on the sheets below) to cut out each of your felt pieces. Be sure to match the right colour of felt to the correct piece of Bob!

2. Attach the smaller pieces (eyes, hands, belly and nose) onto Bob's face and body. Use fabric glue to attach the inner ear onto the ear.

If sewing the pieces together, only attach the lower half of the ears together.

BOB BILBY PUPPET

3. Attach the back panel of the felt ear to the front using fabric glue or a needle and thread.

4. Attach the lower part of the face (with the nose) to the front of the body using fabric glue or a needle and thread.

5. Place the ears between the back and front body panels. Pin the ears into place. Be sure the ears are facing the right way around!

6. Attach the back panel to front panel using fabric glue or a needle and thread. Be sure to keep the ears between the panels and glue or stitch in place.

BOB BILBY PUPPET

7. Trim any excess fabric or thread as needed to neaten up your edges.

8. Finish your Bob Bilby puppet by adding eyes. Glue or stitch a piece of white felt to the black felt or draw the eyes on using a white marker pen. You can also use small white buttons.

Bob is complete!

Make a small Bob Bilby puppet for little hands by using the 'small hands' Bob Bilby puppet stencil provided at Bluey.TV.

Say CHEESE! Bob Bilby is ready for an adventure!
