

WHAT YOU'LL need:

- Some decorations of your choice

HOW TO MAKE THEM:

1. Take your first toilet roll and cut it in half
2. Carefully squish in the centre
3. Use the PVA glue to stick the 2 remaining toilet rolls to either side of the first roll
4. Use the masking tape to keep in place whilst drying
5. Use your pencil or pen to make a small hole in both sides of your binoculars
6. Thread the string through the hole and tie a knot to finish.

BONUS:

7. Cover them in decorations of your choice (we went for a cameo design).
