

WHAT YOU'LL need:

1 packet of white marshmallows

Something to use as arms (we used chocolate covered sticks)

1 packet of popcorn

DON'T FORGET!

- 1/4 cup of butter or margarine
- Black writing icing
- Something to use as eyes like mints or chocolate drops (we used edible eyes)

HOW TO MAKE THEM:

1. Pop the popcorn as per the instructions and set aside in a bowl
2. Melt butter in large saucepan on low heat
3. Stirring constantly, add marshmallows to cook until they're completely melted and well blended
4. Add the marshmallow mixture to the popcorn
5. Toss the mixture until the popcorn is evenly coated in the mixture
6. Shape into 10 small balls with lightly greased hands
7. Place the arms either side of the balls
8. Place 2 eyes onto each ball. You might need to use the icing to help them stick
9. Use the icing to draw the nose and mouth
10. Find some ear-shaped popcorn kernels to add to the top of your balls.
