

MAKE YOUR OWN FINGER FOOTBALL GAME

WHAT YOU'LL NEED:

- Scissors
- Tape or a glue stick
- A small ball or a crunched up piece of paper
- Some fingers!

GET STARTED!

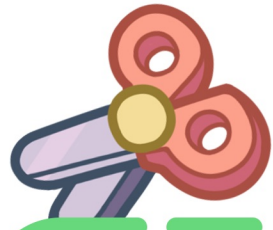

1. Print and carefully cut around the characters and the goals.
2. Cut out the two holes from the middle of the characters. (This could be tricky, get an adult to help)
3. Fold the goal in so the flaps can be secured with tape or glue to the bottom part of the goal.
4. Using a small ball or crunched up piece of paper, try to kick a goal!

EXTRA GAME: If you have a friend to play
They can be your goalie!
(Remember to shake hands after, It's good sportsmanship)

FINGER FOOTBALL BLUEY

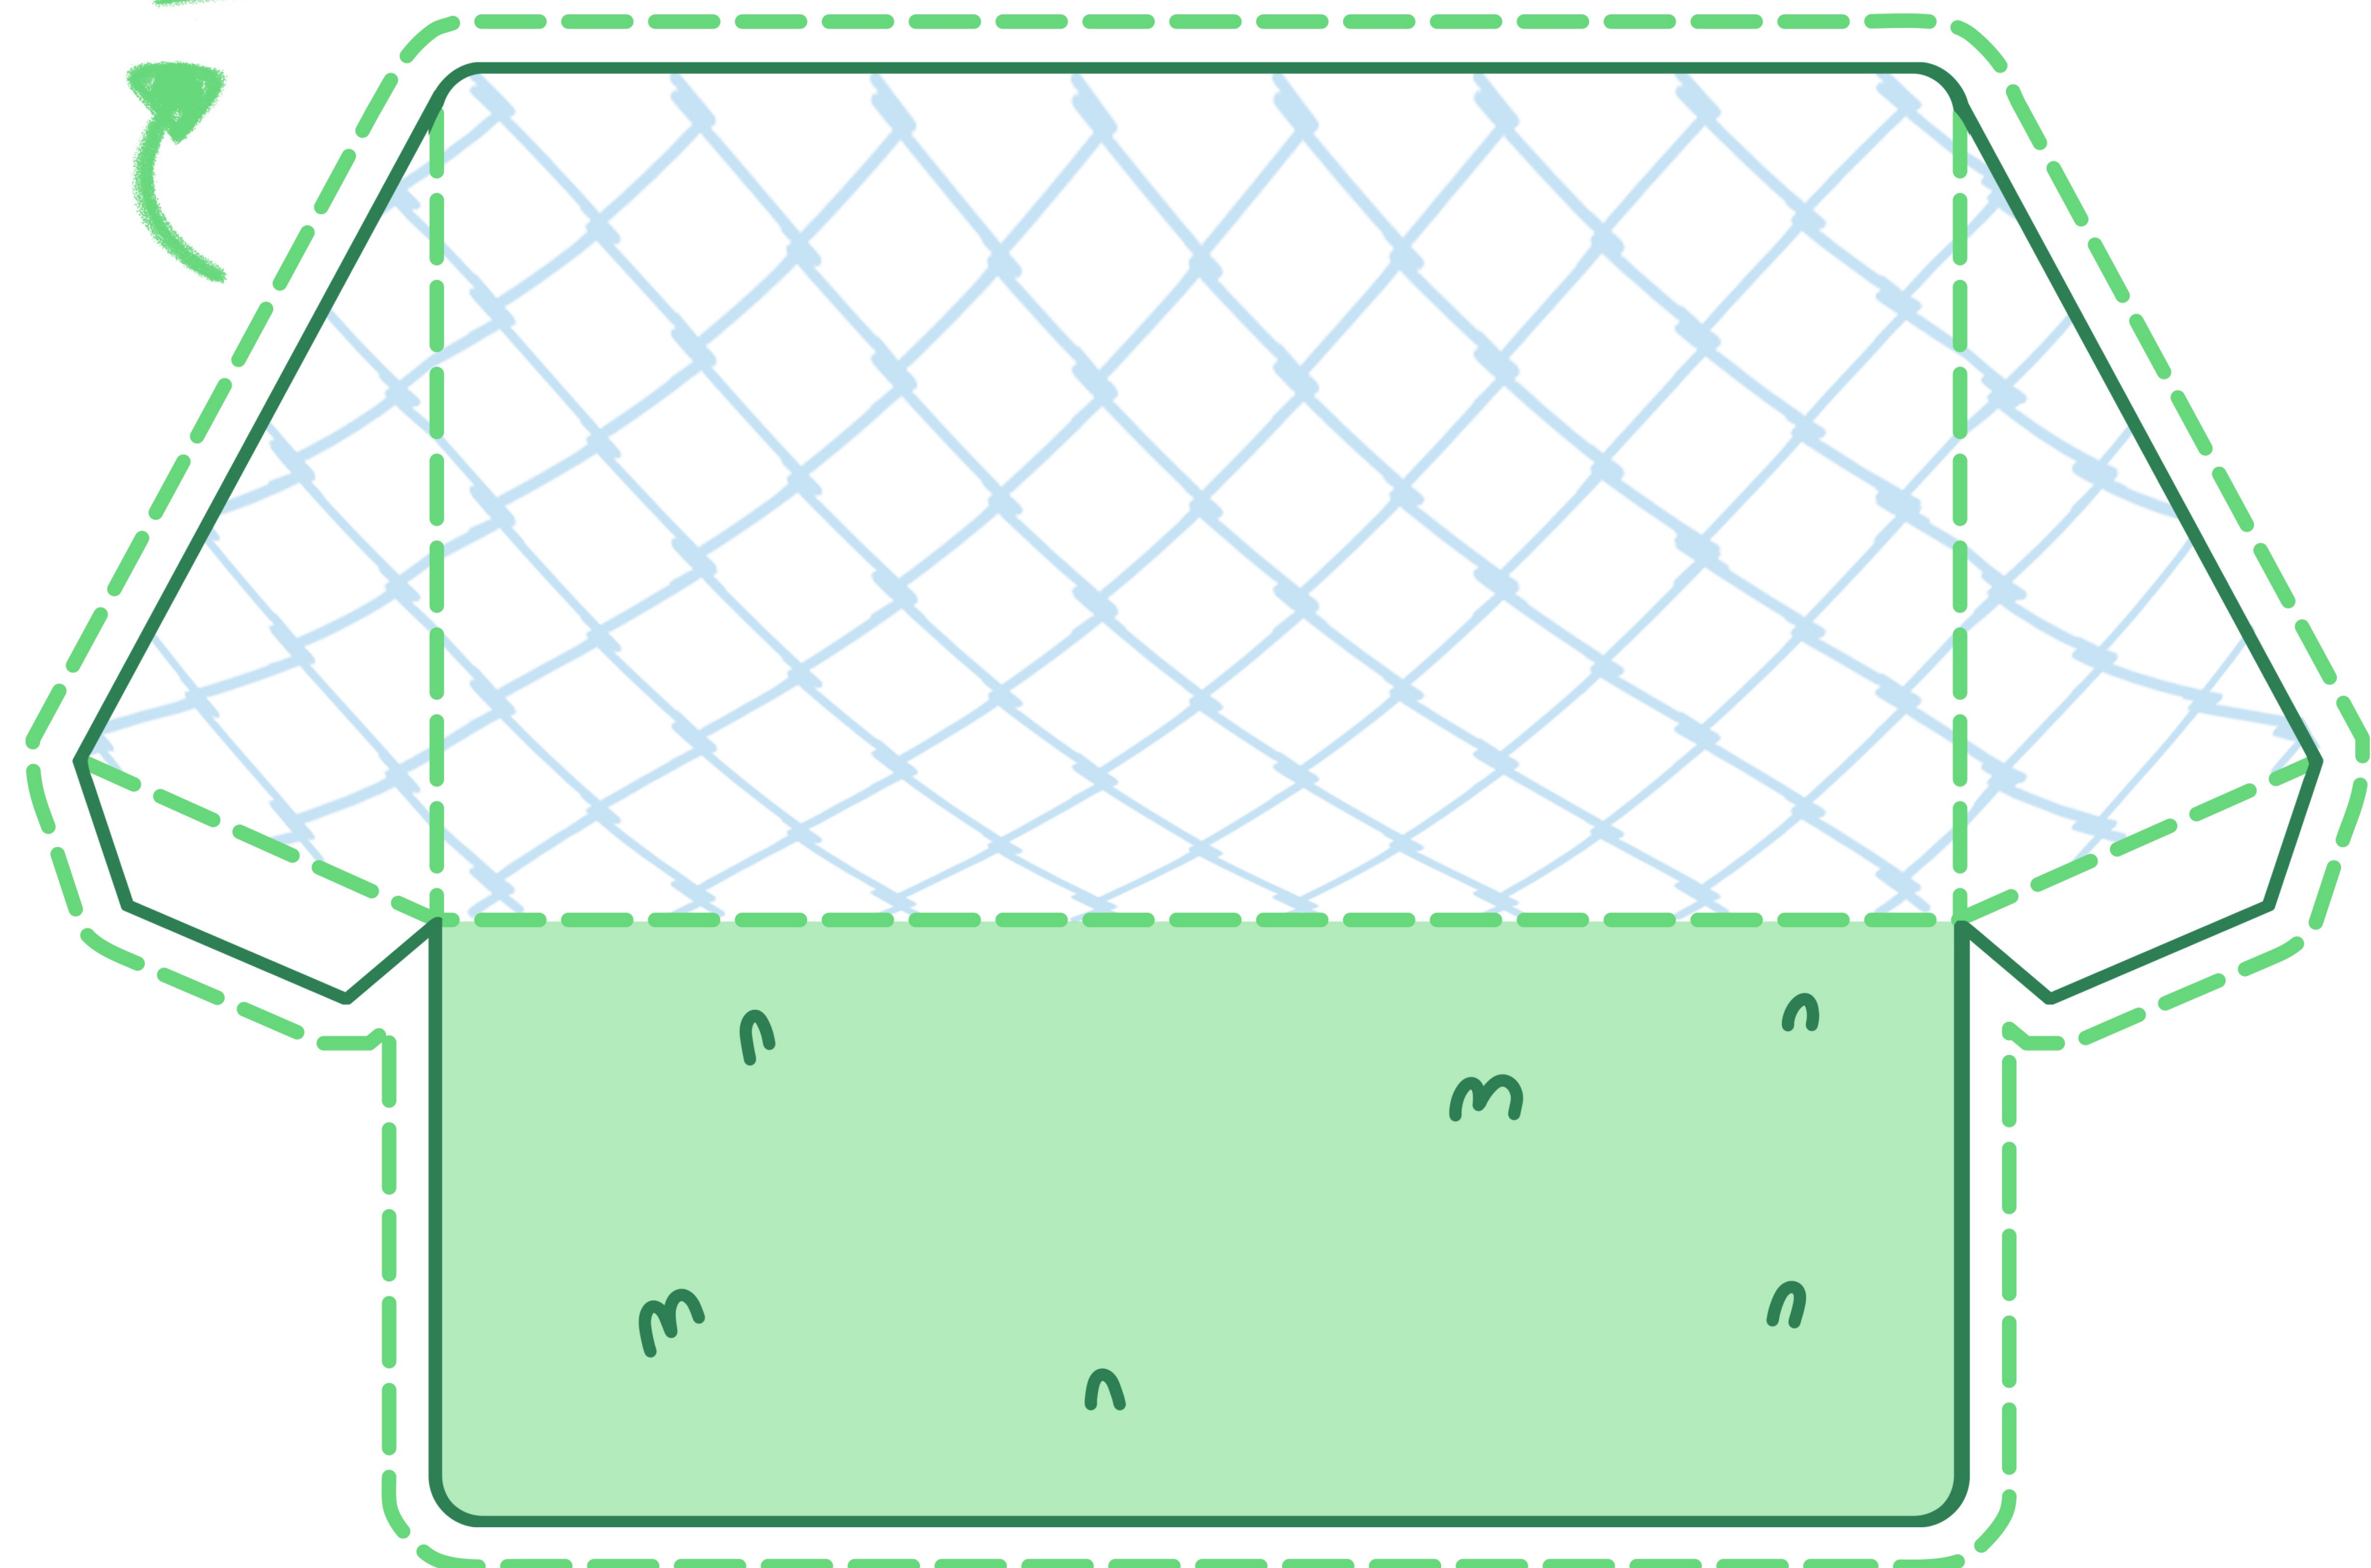

Cut out characters, poke your fingers through the holes to create the legs.

Then cut out your goals and fold at the dotted lines, securing the flaps to the bottom with tape or glue.

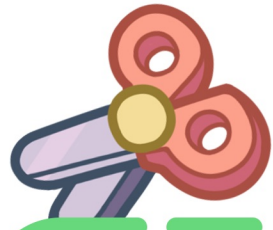

THEN SAVE PAPER! Cut out and scrunch up these instructions to use as a ball!
