

BUILD YOUR OWN CUBBY

WHAT YOU NEED:

- ★ Two medium or large sized cardboard boxes
- ★ Wide tape
- ★ Decoration materials, paint, chalk, pillows, coloured paper, streamers and anything else you want to use to decorate!
- ★ A few brooms or similar sized sticks
- ★ 2 large blankets or sheets

SET UP:

- ★ Flatten the cardboard boxes so each one is one flat piece.

- ★ Tape the two boxes together to make a really long piece of cardboard.

- ★ NOW PAINT! ★

When you are using paint, put down a tarp or newspaper

DECORATING:

★ Now it's time to get creative and decorate your cubby however you like! What type of rooms are you going to create?

★ Attach the sticks or brooms so that they stick out the top. Like this

★ Make a roof by putting the blankets over the top of the sticks so that it looks like this.

★ Now you can make your cubby extra cosy by adding toys, blankets, pillows, fairy lights and other fun things you find around your house.
