

## WHAT YOU'LL need:

- A cereal box (or any piece of thin cardboard)
- Glue
- Scissors
- Hole punch
- A orange marker
- A paper fastener
- String
- A rubber band
- A grown up to help

## STEP 1.

Unfold your cereal box and using a marker draw out your crab claw

## STEP 2.

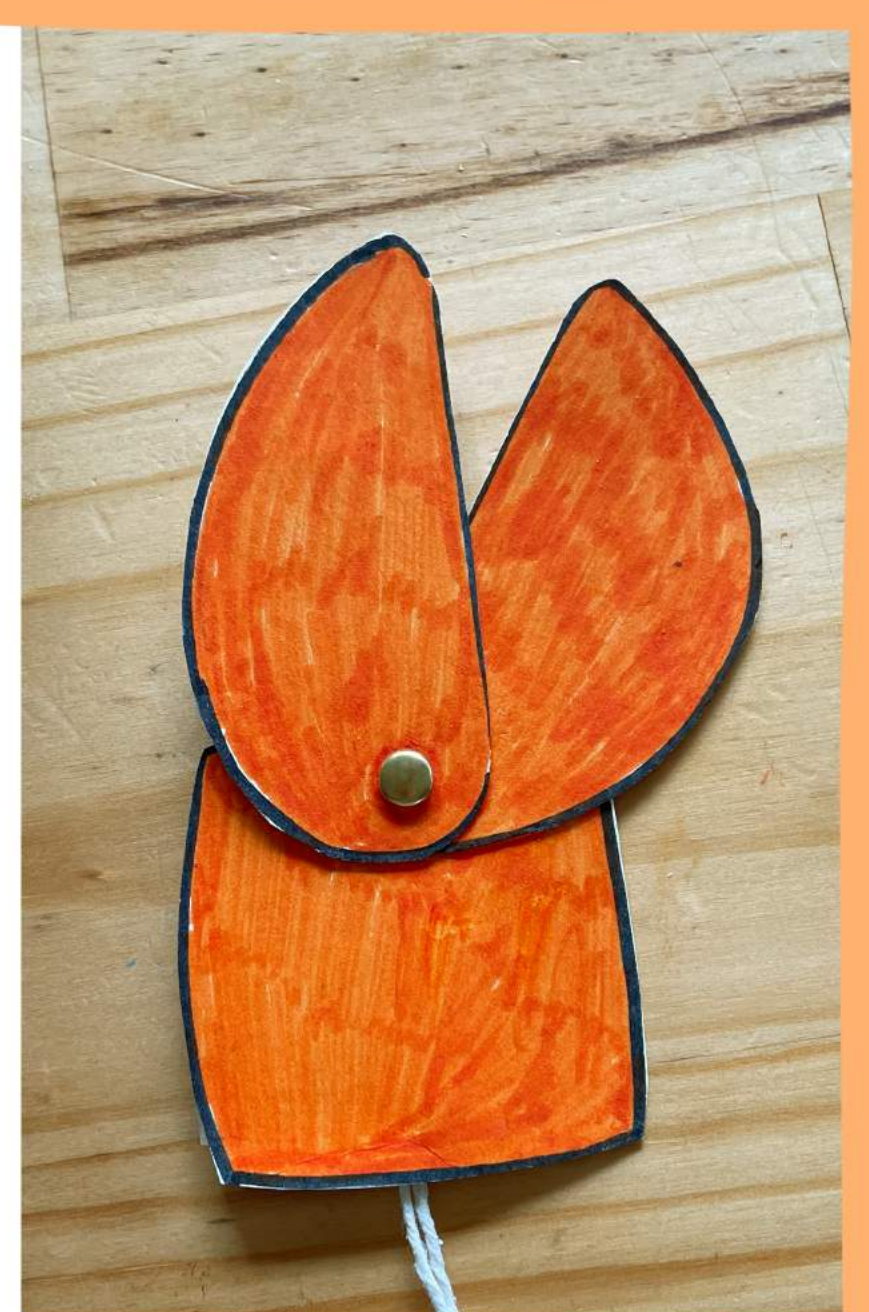

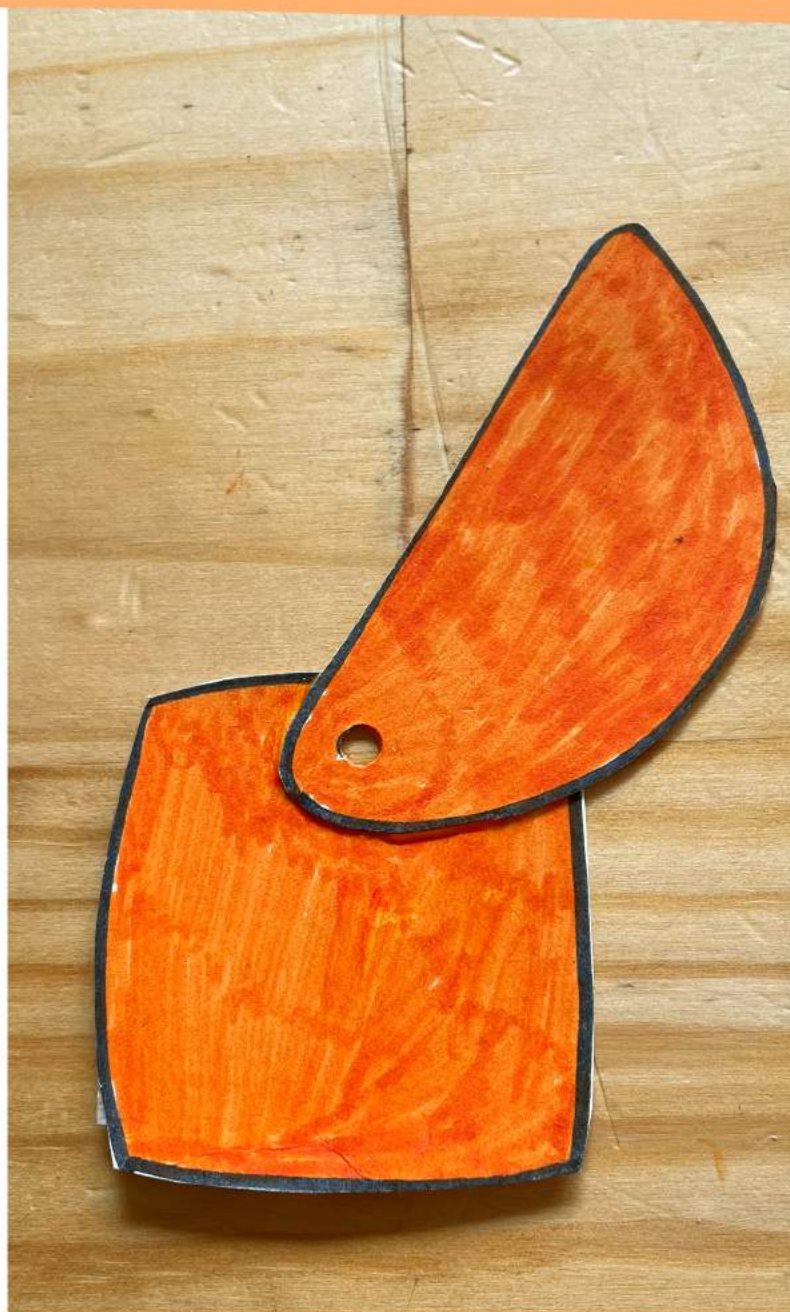

Cut it out and punch the holes

### STEP 3.

Grab your orange marker and colour in the crab claw

### STEP 4.

Line up the holes and connect them with the paper fastener

**TIP:** Stick some tape on the back over your paper fastener to keep it secure

### STEP 5.

Cut a rubber band and tie a knot on each end. Secure the ends onto each side of the crab claw. (If you don't have a rubber band you can also use a small piece of string)

### STEP 6.

Tie a longer piece of sting to the middle of the rubber band

### STEP 7.

Cut out a strip of cardboard that's about the length of your marker

## STEP 8.

Sticky tape the string along the strip of cardboard. Tape a shorter piece of card across to act as a guide

**NOW YOU CAN PULL THE TAB TO PINCH THE CLAW!**

## STEP 9.

Show and Tell your friends and family.
