

SPOOKY COLOUR-IN HALLOWEEN WREATH

YOU WILL need:

1. Colouring pencils, pens and paints.
2. A glue stick or safety glue.
3. Scissors (make sure you have a grown-up to help you).
4. Cardboard.
5. String or wool (for hanging).

INSTRUCTIONS:

1. Print out the wreath template and all the character and prop sheets.
2. Glue the wreath onto some cardboard and then carefully cut out (don't forget to make the 2 small holes at the top).
3. Colour in or decorate the wreath however you like.
4. Carefully colour in and cut out each character and prop you want to include on your wreath.
5. Arrange your chosen characters/props around your wreath and stick them down with glue.
6. Choose a character or prop to hang from the middle and attach it to the small bottom hole with some string.
7. Add a loop of string to the top small hole to hang.
